product

The musical sets aim to bring joy and awake everyone’s creativity and imagination regardless of their musical abilities The playing technique is very simple, intuitive and enjoyable, which is conducive to spontaneous musical experiments. This is a musical instrument in the idiophone family. It consists of a set of metal tubes, which resonate with a soft sound, rich in harmonic tones. The playing technique is very simple and intuitive. Just strike the middle parts of the tubes in any rhythm with the mallets.
