A new urban installation is presented in Reus. With Kube Kurve elements, Dara litter bins, and planters and chairs Lisa, the space is transformed into a modern and functional area for the community.

The recent installation in front of the Mercadona in Reus, Tarragona, represents a step forward in sustainable and people-centered urbanism. This complete renovation, designed with minimalist elements, creates a welcoming space for the community. With Kube Kurve modules, Lisa chairs, Lisa planters, and Dara litter bins, resting areas and green spaces are provided. This approach not only enhances the urban landscape but also promotes social interaction and community well-being. This initiative reflects Reus's commitment to a more inclusive and environmentally respectful future, in line with sustainability values and community care.
