Tavèrnoles is a small village belonging to the province of Barcelona, which represents the entry point to the Sau Reservoir from its western end.

The City Council has chosen **BENITO street furniture and lighting products** to offer rest areas and a greater sense of security to neighbours and visitors.

Among the installed products, there are **NeoBarcino benches and chairs**, and **Deco Horizon luminaires** whose aesthetic harmonises perfectly with rural and historical environments.

The constant improvement and evolution of our products may result in some modifications of the technical specifications and characteristics of the products without prior notice.
